26	Click (niet naar FOH!)	20	NVT

## Notes:

- All Signals except Drums need to be split and fed to our monitor rack
- Stereo Drum Return needed from FOH with Kick-Snare-Hihat
- If no split available you can use our Splitters and Output snakes to go to FOH, see "output snake" in the table above for routing
- If FOH wants Click, use 3-4
- All Mics and DI for 9-10, 12 & 13-14 need to be supplied

## **Monitoring:**

We bring our own monitor rack (Soundcraft UI24R), follow the notes above for correct settings.
